RÉAMHRÁ AN CHATHAOIRLIGH – CHAIRPERSON’S FOREWORD

A chara,

I am delighted to present the second version of the 2020 Fixtures Masterplan and Competition Regulations document on behalf of the Fermanagh Competitions Control Committee, who are tasked with this work on behalf of Coiste Chontae Fhear Manach.

Like the players in the county that had most of the hard work done with pre-season training by the time the country went into lockdown in March as a result of the public health emergency, as a Committee, we thought we had the heavy lifting done for 2020 but sometimes things are outside of your control and you just have to respond to external factors.

If a discussion had taken place in April or May about the prospect that we would get any Gaelic Games played in 2020, then I would say that expectations were very low, but thankfully, due to the sacrifices of so many across our society, we are now in a position to return to some level of normality, albeit with significant challenges and risks.

I do not want to focus too much on the public health situation, but I would urge everyone to follow whatever advice and regulations are issued by Croke Park in order to keep us all safe and to keep our games going. This will be a challenging period for all of us as we embark on this journey and I want to appeal to everyone to approach this with an open mind and to keep themselves updated with the latest information from the GAA nationally.

I want to take this opportunity to highlight a number of key points within this document. We are operating with a much-condensed calendar and as such, changes to the plan have to be made and I hope that these will be well received.

Competition Regulations

Firstly, as a result of reduced calendar, please note the following:

- There will be no promotion or relegation with the Senior Football Leagues or Erne Cup.

- Each team in each division will play each other once, with the top two teams competing in the final. There will be no league semi-finals or relegation play-offs.
- County players will play the first five league games and all championship games with their clubs. The remaining four league games and the league finals will be for Club Players only.

Secondly, there are a number of amendments to the Competition Regulations that were in place in 2019. These include:

- Allowing flexibility for a member or former member of the county panel who was only named as an unnamed sub goalkeeper to allow such a player to play Reserve Football.
- Ending the provision for games to finish on the day and re-introducing replays for all games ending in a draw.
- Placing restrictions on agreed postponements to require agreements to be presented no less than 72 hours before a game is due to start and for the game to be played no later than 21 days after the fixed date.
- Following our experiences from last year, firming up regulations around unavailable or unplayable pitches and placing a duty on club officials to notify the CCC that their pitch may be unavailable/unplayable and failure to comply with this will result in heavy sanctions being taken against clubs and club officers.
- Clarifying the rules around recording games within the county for analytical and other purposes and introducing a requirement for the recording to be submitted to the County Secretary and penalties for non-compliance.
- Setting out clearly the requirements on each club with regards to the provision of referees, umpires and linesmen and the penalties for non-compliance. Clubs need to be aware that without active referees from the start of the year, they could be subject to the removal of home advantage for all adult/underage games.

I trust that all members will familiarise themselves with the Competition Regulations in their entirety, which should be read in conjunction with the County Bye-Laws and the Official Guide.

Scheduling of Adult Competitions

As always, we have sought to make the most of the window of availability to provide the maximum number of competitive and meaningful games to players, with a regular flow of games, regardless of the progress of the county teams.

Fermanagh's Senior Footballers are scheduled to play Clare in the NFL Round 6 on 17/18 October and therefore, we are working backwards from that date. We are leaving two free weekends for preparation for the County Footballers and therefore our County Finals will take place on 25th (*Junior*) and 27th (*Senior & Intermediate*) September 2020. Once the championship is completed, there are four additional league games and league finals to be played with the year coming to an end around Hallowe'en, which is a period of three and a half months of activity.

Given the circumstances, I think we as a county can be happy with the provision of football on offer to adult players. From the beginning of the leagues (senior and reserve) until the end of it, there will be one game played each weekend and this is the regular flow of football that players are crying out for.

Underage Structures & Scheduling

Once again, we have a constrained calendar and are adopting the approach of organising competitions at U11.5, U13, U15, and U17 levels. We also intend to conclude the U19 league started earlier in the year. There will be five rounds of fixtures for each team at each age grade, but each club is asked to only enter one team in each competition for 2020 only. There will be no underage championships and the top two teams in each division (except for U11.5) will meet in the final.

2019 saw a rapid growth in the number of players and clubs that were actively playing hurling. This is a wonderful development and one that we all have a responsibility to support. Therefore, we have made provision for a suite of underage hurling competitions within the county. Hurling competitions will be held at U11, U13, U15 and U17 within the county. It will take time for the fruits of this labour to make their way to adult level, but if we all collectively do our best to promote and develop hurling within the county, we can make great progress in a few short years and I look forward to seeing this work continue.

At a Special County Convention on 13th January, radical changes were agreed to our County Bye-Laws, with the aim of developing hurling in a sustainable manner across the county to allow for multiple clubs to participate at all levels. This now

means that any player who is registered with a club that exclusively plays football, must get Permission to Play for another GAA club within the county. However, the County Management will be tasked with bringing forward regional zones to prevent players from playing for clubs outside their area in an effort to advance the playing of hurling across Fermanagh. It is of little benefit to the advancement of hurling if we continue to only have one adult hurling team in the county, who have no-one to play a game against.

Playing Rules

I would draw to your attention the four changes to playing rules of Gaelic Football that are now in place that had not yet been introduced when club football was last played. These are:

- Players who take a 'mark' or clean possession inside the opposition's 45 will be rewarded with a free-kick.
- If a player gets a black card they will now spend 10 minutes off the field. No substitute allowed, reducing his side's numbers for that period. A second black card, or a black following a yellow, will result in a red card. The player will be sent off for the rest of the match.
- To try and avoid all the short kick-outs. All kick-outs must now be taken from the 20-metre line rather than the current mark of the 13m line. The ball must travel forward and all players must be at least 13m away and outside the D and 20m line when the kick is taken.
- Any player who receives a kick-out cannot pass it directly back to his goalkeeper

In closing, I want to place on record my thanks to my colleagues on the Competitions Control Committee, each of whom has given up their time on a voluntary basis to enable competitions within the county, at both adult and underage level, to take place in the interests of our Association and those who play and enjoy our games.

On behalf of the Fermanagh Competitions Control Committee, may I take this opportunity to thank you all for your co-operation so far this year with the various requirements that have been placed on you. The next few months will be challenging for volunteers within the Association and clubs and counties will need all the help and support they can get due to the increased regulations being placed upon them, so if you can, please lend a hand in some way.

ÁR BPRIONSABAIL – OUR PRINCIPLES

Our key principles in decision making have been as follows:

- Players, along with all our stakeholders, deserve and require fixture certainty.
- Having a season with a definite completion date for all internal competitions.
- Clubs support a regular flow of games for senior club players through the summer months, including ‘Games for Club Players’ regardless of the progress of the County teams.
- That there are ‘safety net’ and ‘reclaiming lost ground’ opportunities within the end of season league formats to encourage and facilitate the playing of ‘Games for Club Players’.
- All rounds of the league competitions shall be completed before any of the championship starts.
- Sustain a season long interest in club training, with championships, as the climax of the season and offering the best preparation possible for going into the end of league formats.
- Organising adult competitions where games are competitively important and meaningful throughout the season.
- Consistently, fairly and strictly enforcing all competition regulations, particularly with regards to postponements and accurate First 13 lists.
- Meeting the welfare needs of all players, club and county, by recognising that there are club player needs and county player needs, and they are both equally important within the amateur ethos of the GAA.
- The need for those who have a ‘say’ in club fixtures (County Committee, Inter-County Management team, CCC and Club Management groups) to respect the desire and need for players to play regular games for their clubs.
- Giving the club and county teams that are acting as ambassadors for our county the best possible chance to prepare for and compete in Provincial and National Competitions.
