# SFC Preview

by Gareth Cauldwell

Sports Editor

The Impartial Reporter

It is championship semi-final weekend and there are some intriguing contests lying ahead in both the Quinn Building Products Senior Football Championship and the Kevin Courtney Car Sales Intermediate Football Championship.

The action gets underway with maybe the most eye-catching game of the weekend as champions Derrygonnelly continue their bid for a sixth New York Cup on the bounce when they face Kinawley at Brewster Park.

The Harps came through a dog fight against Roslea to seal their place in the last four while the Brian Borus saw off Erne Gaels in the quarter finals and this promises to be an interesting tussle.

Kinawley have already beaten the Harps this year, shading a well contested league encounter, but neither side will read anything into that and it is Derrygonnelly who will go in as favourites.

They have the experience and know how as well as no shortage of quality in the likes of Ryan Jones, Mickey Jones, Garvan McGinley, Conall Jones, Shane McGullion and Stephen McGullion and are clearly the team to beat.

However, last season's Intermediate champions, Kinawley, having been showing steady progress and they have plenty of talent within their own ranks in the shape of Tomás Corrigan, Ruairi Corrigan, Tom Keenan, James Allen, Shaun Doherty and Conor Murphy as they look to reach a first senior championship final since 1993.

The second senior semi-final wraps up the weekend as Ederney come up against Teemore on Sunday evening in Brewster Park.

Ederney will be bidding to make it through to a second final in three years and they were deserving victors over Belnaleck in the last round. The St. Joseph's side are lively in attack with Paul McCusker, Sean Cassidy and Mark McCauley all capable of rattling up scores while veteran Marty McGrath provides that physical presence in the middle of the park.

Teemore though will be no pushovers. The Shamrocks are the only side with a 100 per cent record this season having won all their games in Division Two before knocking out Tempo in the quarter finals so they will come into the game with confidence.

If Ederney showed one weakness against Belnaleck it was under the high ball and it is an area that Teemore could exploit with Barry Owens a real handful at full forward.

However, that is not their only tactic as against Tempo they mixed their game up well and showed patience on the ball when needed.

Eoin McManus has been cleared to play after having his red card in the quarter final over turned and that will be a big boost for them. The Shamrocks will also look to Cian McManus, Damian Lee and Niall Clarke.

**WHERE WE ALL BELONG**

In between these two games there is plenty of other action, including the Intermediate Football Championship semi-finals.

The first semi-final will see Enniskillen face Aghadrumsee in Tempo on Saturday evening. Enniskillen are the favourites for the Intermediate title and as a Division One side they will be fancied to overcome the challenge of the Magpies.

However, Pat Cadden's men took the scalp of another top flight side in the quarter finals in beating Devenish and they will know that the pressure will be all on the Gaels.

Defensively, Aghadrumsee will look to the experienced Noel Beggan, Eugene Kerins and Ferghal Sherry while at the other end of the pitch they carry plenty of threat in Eddie Courtney and Thomas O'Hara.

A youthful Enniskillen side though will be looking at this as another step towards returning to senior grade and they will be aiming for a big performance.

Johnny Cassidy will lead their defence while Eoin Beacom and Brandon Horan give them a solid platform at midfield. And further forward Conor Love, Callum Jones and the experienced Richard O'Callaghan will be looked to for scores.

Then on Sunday lunchtime it will be the turn of Belcoo and Maguiresbridge to battle it out for a final spot at Brewster Park.

The O'Rahilly edged out Lisnaskea in a tight encounter in the last eight and they will now be targeting a return to the final having lost last year's decider to Kinawley. Shane McCabe's side is backboned by an experienced core in the likes of James McGrath, Niall Leonard, Paul McGrath, Ciaran Flaherty and Brian Cox while younger players like Eoin Shiels and Laurence McKeown have also been making an impact.

Last season's Junior champions, Maguiresbridge, though will provide a stern test for Belcoo. A strong second half took them past St. Pat's in the quarter finals and they will be looking to build on that on Sunday.

They will obviously be looking for big displays from county duo Ciaran Corrigan and Daniel Teague while Matthew Teague, Ryan Hyde and Niall Carson will also be key figures.

# OFFICIAL GAA PLAYING RULE CHANGES

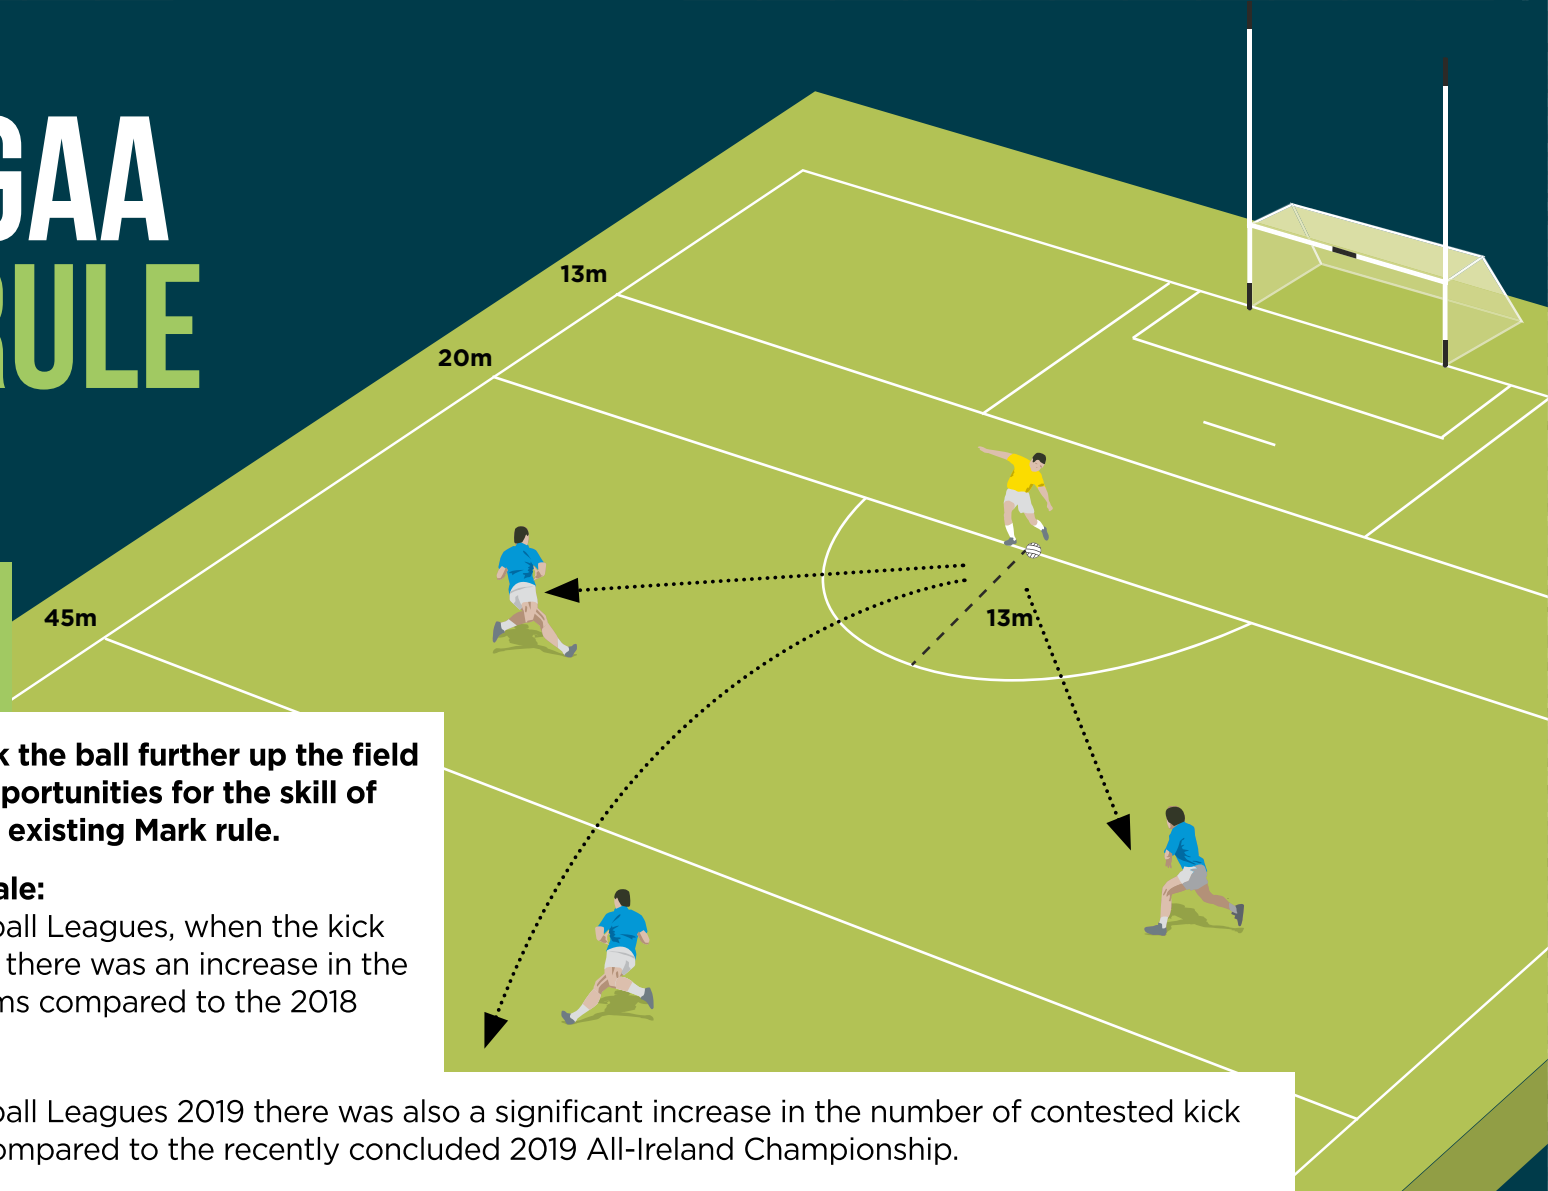

## THE KICK OUT

**AIM:** To encourage teams to kick the ball further up the field from the kick out; To present opportunities for the skill of clean catching by bolstering the existing Mark rule.

### Supporting evidence and rationale:

During the Allianz National Football Leagues, when the kick out was taken from the 20m line, there was an increase in the number of Marks claimed by teams compared to the 2018 Championship.

During the Allianz National Football Leagues 2019 there was also a significant increase in the number of contested kick outs (i.e. between both teams) compared to the recently concluded 2019 All-Ireland Championship.

## THE SIN BIN

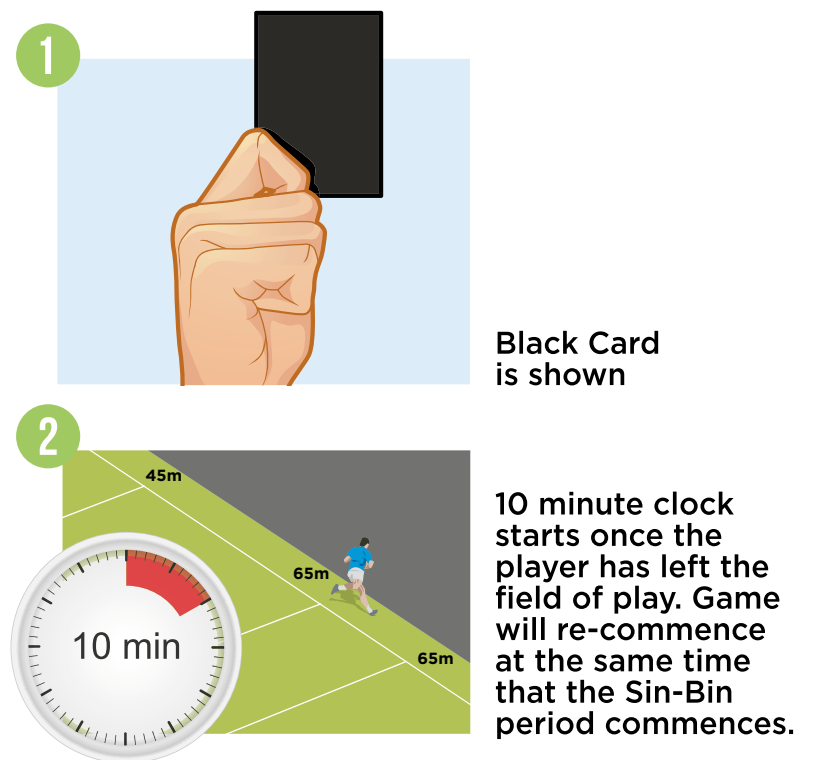

**AIM:** To reduce a rise in cynical play/'professional' fouling and implement a penalty 'on the day' which encourages behavioural change.

### Supporting evidence and rationale:

On average during the 2019 NFL, teams with an extra player scored 2.9 points compared to 1 point for the opposition in the same period (i.e. during the period when an opponent was in the sin-bin).

The average 'ball in play' time during a sin bin throughout the Allianz National Football League 2019 (30 games analysed) was 5:15 – entirely consistent with the remainder of the game.

The proposed introduction of the Sin Bin also offers teams a greater level of equity in that it removes the effect of a strong group of substitutes who, under current rule, would replace any player who received a black card.

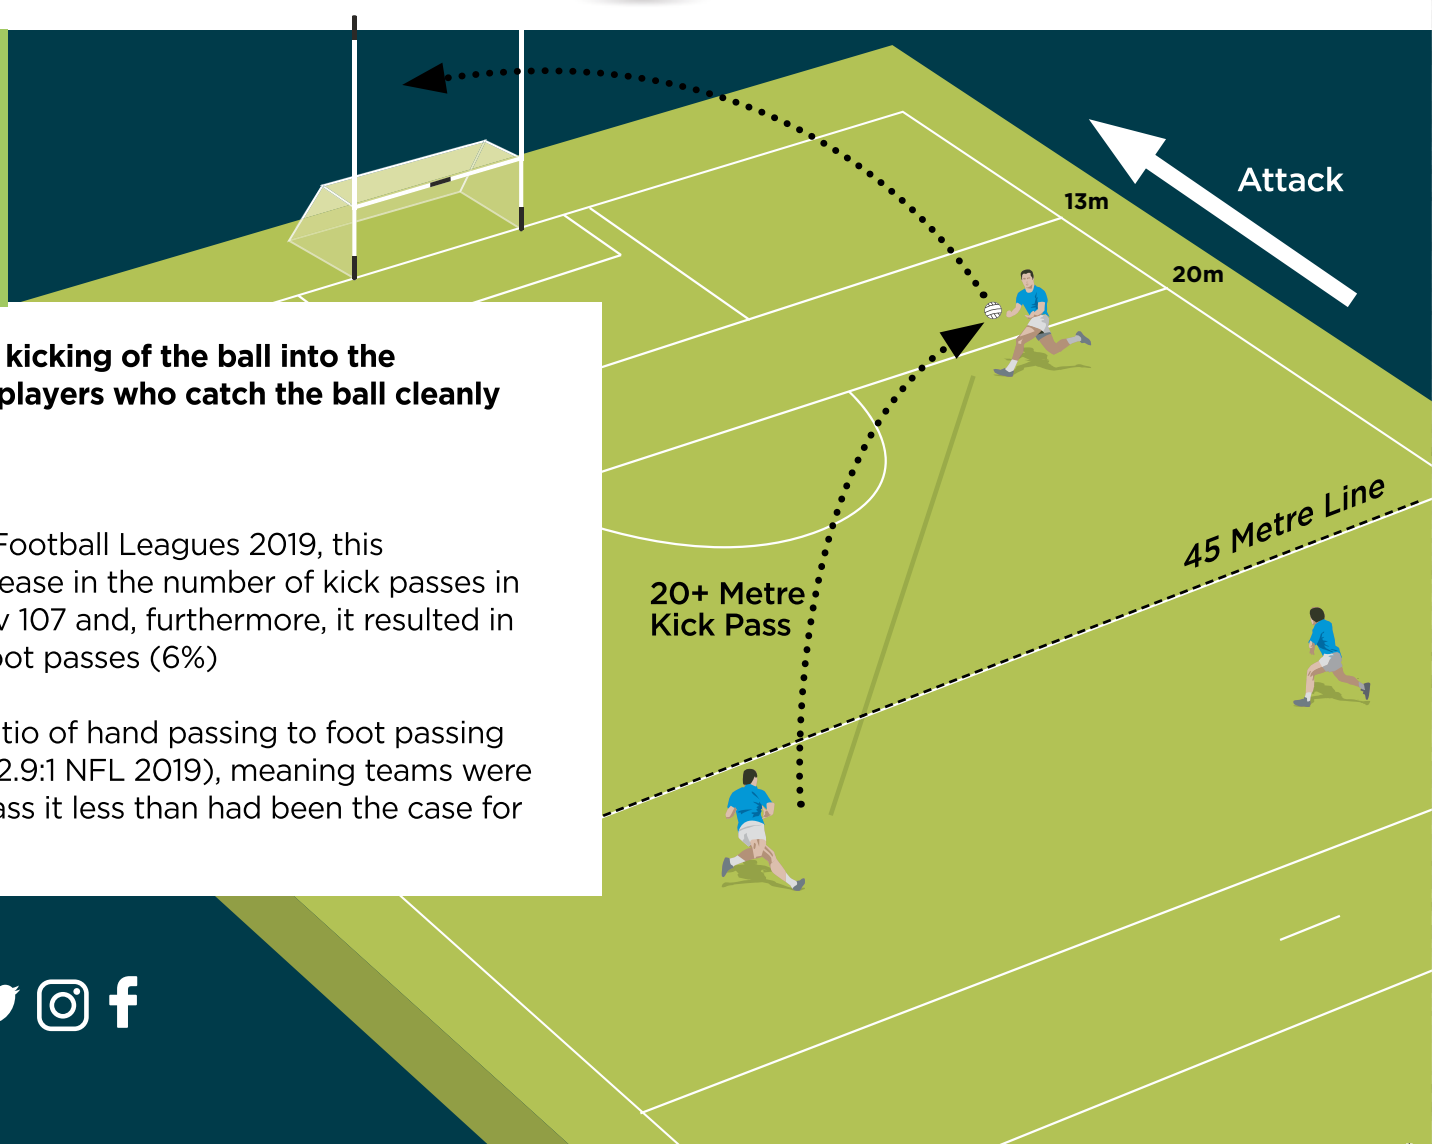

## THE ADVANCED MARK

**AIM:** To offer an incentive for the longer kicking of the ball into the opposition's defensive area and reward players who catch the ball cleanly under these circumstances with a Mark.

### Supporting evidence and rationale:

During its trialling in the Allianz National Football Leagues 2019, this experimental rule provided for a 24% increase in the number of kick passes in the game (2019 NFL v 2018 C'ship) – 132 v 107 and, furthermore, it resulted in an increase in the number of contested foot passes (6%)

It provided for the first reduction in the ratio of hand passing to foot passing in ten seasons (3.5:1 in the 2018 C'ship to 2.9:1 NFL 2019), meaning teams were inclined to kick the ball more and hand pass it less than had been the case for at least the last decade.

# Club Éirne The driving force behind Fermanagh GAA

Since its re-establishment in 2014, Club Éirne has delivered nearly £750,000 for Fermanagh GAA. This has only been achieved through the unbelievable generosity and support of the GAA community in Fermanagh and further afield.

In 2019 alone, the staggering figure of £225,172 was transferred to Fermanagh GAA in order to help develop Gaelic Games in the county. £100,000 was used to support underage coaching structures and academy squads, with a similar figure being used to offset the ever growing costs of preparing county football and hurling teams. The balance of the money went into the county gym at Lackaboy, maintaining facilities at Lissan and training equipment.

For 2020, Club Éirne have set themselves a target of generating £250,000 for Fermanagh GAA. If this was achieved, that would be an investment of nearly £1 million in recent years. But in order to achieve this target, the continued support of the GAA community is required.

We would ask that you give strong consideration to joining Club Éirne as a member or a patron, as supporting Club Éirne in this way is an extension of your support for Fermanagh GAA.

## BACKING FERMANAGH

**ÉIRNE** CLUB

BE THE BEST THAT WE CAN BE

The money raised by Club Éirne allows Fermanagh GAA to continue investing in enhancing coaching structures, developing our youth and our facilities and to prepare all of our county teams to allow them to be the best that they can be.

By supporting Club Éirne, you will get an irreplaceable feel good factor of supporting something you have a huge passion for and there are a number of tangible benefits of being a member or a patron.

**If you can support Club Éirne,
