ÁR BPRIONSABAIL – OUR PRINCIPLES

Our key principles in decision making have been as follows:

- Players, along with all our stakeholders, deserve and require fixture certainty.
- Having a season with a definite completion date for all internal competitions.
- Clubs support a regular flow of games for senior club players through the summer months, including ‘Games for Club Players’ regardless of the progress of the County teams.
- That there are ‘safety net’ and ‘reclaiming lost ground’ opportunities within the end of season league formats to encourage and facilitate the playing of ‘Games for Club Players’.
- All rounds of the league competitions shall be completed before any of the championship starts.
- Sustain a season long interest in club training, with championships, as the climax of the season and offering the best preparation possible for going into the end of league formats.
- Organising adult competitions where games are competitively important and meaningful throughout the season.
- Consistently, fairly and strictly enforcing all competition regulations, particularly with regards to postponements and accurate First 13 lists.
- Meeting the welfare needs of all players, club and county, by recognising that there are club player needs and county player needs, and they are both equally important within the amateur ethos of the GAA.
- The need for those who have a ‘say’ in club fixtures (County Committee, Inter-County Management team, CCC and Club Management groups) to respect the desire and need for players to play regular games for their clubs.
- Giving the club and county teams that are acting as ambassadors for our county the best possible chance to prepare for and compete in Provincial and National Competitions.
